SKILLS

Core Java ★★★★★

JDBC ★★★★☆

Jsp ★★★☆☆

Servlets ★★★☆☆

Oracle ★★★☆☆

HTML ★★★☆☆

CSS ★★★☆☆

EXPERIENCE

- **Railway Reservation System** – Java-based project with Swing and Oracle. User-friendly interface, login, booking, cancellation, PNR enquiry, and train schedules. Simplifies and enhances railway reservations.
- **Ecommerce Online Application** – Currently engaged in the development of an E-commerce application utilizing JSP, Servlets, and JDBC. The project focuses on building a robust online platform for seamless buying, selling, product listings, shopping cart management, secure payment processing, and user authentication.

ACHIEVEMENTS

- Received commendation from the chairman for an impressive project presentation, leading to an opportunity to showcase the project at various branches during the tech fest.
- Secured first place in a Java Debugging competition, surpassing over 15 participants, at my college.

EXTRA CURRICULAR ACTIVITIES

- Organized and hosted captivating cultural events, showcasing improvisational skills and engaging scripts for college annual day celebrations.
- Actively participated in seminars, delivering informative presentations on blockchain technology, and actively engaging in discussions to expand knowledge and foster learning.
- Delivered impactful PowerPoint presentation showcasing the heritage and achievements of Siddartha Degree College to 500 attendees during the annual day event.
